

**BILL HUNT  
SHERIFF-CORONER**

I ask for your vote to restore integrity and trust to the Sheriff's Department. I will make our community safer by relying on over two decades of experience with the Orange County Sheriff's Department. I have served as a Police Chief, SWAT leader, Investigator, undercover in gangs and narcotics, in a patrol car and an MP in the Army. I am the only candidate who has worked our jails and patrolled our streets.

After 8 years, the current Sheriff has given us one scandal after another and his record is a failure. California's Attorney General found violent crime skyrocketed 30% in sheriff-patrolled areas and homicides increased 26%. The Register reported our jails are California's most crowded so inmates are released early. These facts are unacceptable.

I have a reform plan that includes:

Implementing a Sheriff's Total Accountability Reform (STAR) program

Zero Tolerance Crime Plan

Enhancing and Providing Local Homeland Security solutions

Providing bold leadership on illegal immigration

And investing in 21st century technology and training for our deputies
